WEARY OF LIFE.

Cornelius J. Vanderbilt, Brother of the Great Railroad Magnate, Blows His Brains Out in a

Brought On by Years of Suffering, Supposed to be the Cause.

New York, April 3.—Cornelius J. Van-derbilt, brother of Wm. H. Vanderbilt, shot himself at the Glenbam Hotel, on Fifth avenue, yesterday afternoon at 2 o'clock, and died from the effects of the wound at 6

present session of Congress may not last longer than June.

JESSE JAMES is dead, killed by one of his to be benefit of his health, which for the past year has been very poor. He was accompanied by his friend and traveling companion, Geo. Terry, of this city, who has been with him continually for many years in his journeyings and at his home. Vauderbilt's condition was such that assistance was likely to be

peradoes of that ilk are put out of the way.

Governor McEnery is an earnest advocate of the improvement of the Mississippi by the national government. But it is difficult now-a-days to find a public man who is not.

They engaged a suite of rooms on the fifth floor of the hotel. Vanderbilt occupied one room alone. He was in his room much of the time, and has been out but seldom since his arrival here. This morning he felt more not. unwell than usual and did not leave his bed. Mr. Terry was in the room during the greater THE Democratic Executive Committee meets at Nashville to-day, and will doubtless name a time for the meeting of the State convention. Very likely an address to the people will be issued.

THE drift of opinion among the Republication of the district of the morning attending to the sick man's wants, but noticed nothing unusural in his actions or appearance. Before I o'clock in the afternoon he left the room for the adjoining apartment which he occupied to attend to some private affairs, leaving Vanderbilt, as he supposed, sleeping. He had been out about an hour, and had closed the door committee man's wants, but noticed nothing unusural in his actions or appearance. Before I o'clock in the afternoon he left the room for the adjoining apartment which he occupied to attend to some private affairs, leaving Vanderbilt, as he supposed, sleeping. He had been out about an hour, and had closed the door committee man's wants, but noticed nothing unusural in his actions or appearance. Before I o'clock in the afternoon he left the room for the adjoining apartment which he occupied to attend to some private affairs, leaving Vanderbilt, as he supposed, sleeping. He had been out about an hour, and had closed the door committee man's wants, but noticed nothing unusural in he cases will either be heard or continued till next term.

THE WEEN'S CLEARINGS.

The drift of opinion smoog the Republicans of Kentucky appears to be against that party making reparate nominations, and in favor of supporting the anti-Democratic or Independent movement. Several county conventions have adopted resolutions to this effect.

The Jewish Messenger inderses the suggestion of the Cincianati Russian Emigrant Society, that the New York society should call a convention of similar organizations throughout the country "to devise and adopt a plan how best to provide for the inture of these emigrants."

General Hurlbur, minister to Peru, whose death at Lima has been telegraphed to his brother, the editor of the New York alightest hope of saving his life. Several tempts were made to restore him to con-

to his brother, the editor of the New York slightest hope of saving his life. Several attempts were made to restore him to consciousness, but without success. Vanderbilt of major-general. He commanded here in friends and family. The latter live in the memphis more than a year, and will be re-

its readers believe, at the rate of twenty-two miles an hour.

The New York stock market was very much unsettled yesterday, by the suicide of Cornelius J. Vanderbilt, and closed 1@41 per cent. below Saturday's quotations, the Vanderbilt stocks leading in the decline. The Boston and Pailadelphia markets also felt the depressing influence of the decline in felt the depressing influence of the decline in the most violent most violent most title most violent most this most violent most, it would ever, even in the most violent most the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it would ever, even in the most violent most, it was not able to give that is considered here good this is written because I desire through your columns to give what is considered here good the custody of their keepers, The new asylum is not completed, but can be used into the flames after of surmise as to what were the intentions of the Huntington railway syndicate as to the west-even or southern connections with the Members of the used, and the survivors have been moved into it. Attention is culty, for since the reported compromise with amount of money, at least \$1,000,000, nor did he think he had been speculating. The body lay in the Glenham Hotel last night and was removed to the Church of the

will not weary of well-doing, and will con- it. The bullet passed clear through his head, some for the lake county people who have lost everything by the flood.

In any way calculated to throw any light on the cause of the suicide. There were quite a number of notes, but, with the exception of JOHN CHINAMAN need not, it seems, sonted money due Vanderbilt. They probably, even under the rigorous restrictions of abily represented an amount reaching \$2500

had had an epileptic fit and, as usual after having one, felt discouraged. The suit of Lord had been turned over to a referce, and hearing in it was set down for to-day at 11

NEW YORK, April 3.—The Post, in explanation of the decline in the stock market, says: "The death by his own hand of Corany other party were promptly voted down. General Weaver and Ex-Congressman De La Matyr are to be invited to address the State convention when it meets in Harrisburg, May 18th.

NEXT Sanday will usher in the Easter holidays, when, according to the fashion introduced about two years ago, presents will be interchanged. These take every conceivable form and device, and are of all prices,

fellow-citizens, and without delay. To be imprisoned merely as a suspect and to be denied a trial is what might be expected in attempting to pass from one part of the plantation of Mrs. Judson R. Williams to another wenty four hours.

hanging on the craft resembling a small log, were about to give up all hopes, as their hands were almost paralyzed and the wind was rolling high white-capped waves upon them, when Miss Lona Williams, daughter of the lady of the plantation and a niece of Judge Mangum, of this city, took in the situation, and jumping in her skiff Reindeer took up a steering oar and called upon Esquire Ford, who was some distance off, to row to the place where the struggle for life was going on. She reached the poor creatures just in the nick of time, and with Mr. Ford's assistance got them into her boat, Ford's assistance got them into her boat, when they were conveyed to their home."

ALMOST A CONFLAGRATION.

Narrow Escape of the Mobile and Ohio Railroad Hotel at Artesia, Miss. Special to the Appeal.

STARREVILLE, MISS., April 3,-The Mobile Governor McEnery reports that up to the 31st of March, 67,701 applicants received 1,015,515 rations.

The Iowa Greenbackers will hold a State convention on the 7th of June and nominate a straight ticket.

Governor McEnery reports that up to o'clock. From the time of the shooting until his death Vanderbilt was unconscious. Many friends of the dead man and members of his family were present. The motive for the act given by friends is that it was the result of mental devangement, brought or by years of suffering from epileptic fits. No other reason could be given, as his financial affairs were said to be in a most prosperous condition.

Dismuke. He assisted some darkies in extinguishing the flames with buckets of water. and Ohio Railroad Hotel, at Artesia, Miss.,

inguishing the flames with buckets of water. Owing to the alwanced condition of the appropriation bills it is predicted that the present session of Congress may not last
